

日本語一 お正月：年賀状

The culminating assessment for the New Year unit will be your new years cards—年賀状.

To meet the expectations for this unit, you must:

- use your very best handwriting.
- use a variety of greetings or あいさつ.
- include the complete date on the front of each card.
- include your name and address on the front of each card.
- write the name and address of the recipient on the back of the cards.
- use an attractive, pleasing, celebratory design.
- use an appropriate design: not idiosyncratic or too personal, although your cards certainly can express your personality and aesthetic sensibility.
- write all content properly and without error.

In order to exceed the basic expectations for this unit . . .

- you must use a wide variety of あいさつ—not all cards have the same content.
