

Dear Students & Faculty,

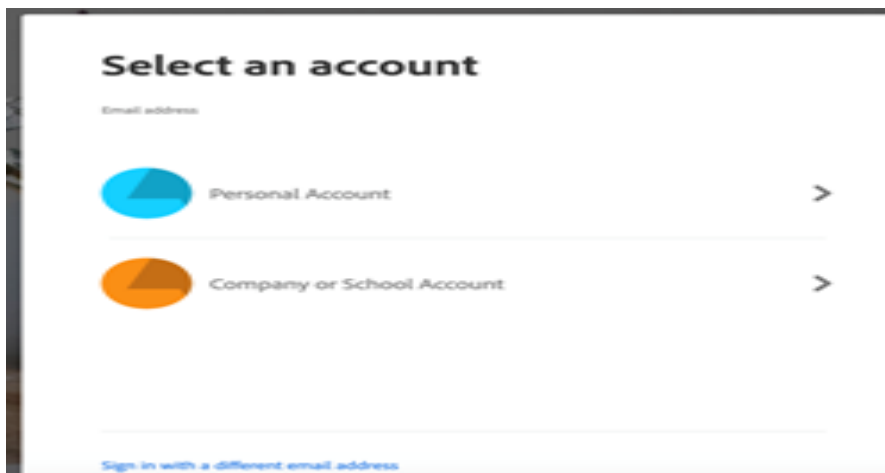

As a result of campus closure, student access to Adobe Creative Cloud in labs and classrooms is not available. Adobe has provided temporary at-home access for impacted students and faculty, so that they can continue their work remotely. Please follow the instructions below to enable access to Creative Cloud Desktop Apps on your personal device.

Visit <https://creativecloud.adobe.com> and use your school credentials (IMSA Email Address) to sign in. Do not select "Continue with Google"

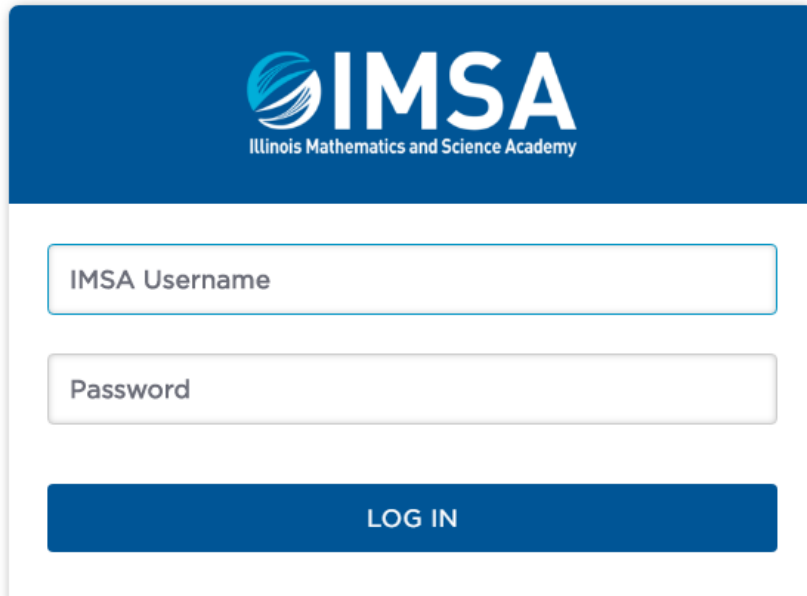

The screenshot shows the Adobe Creative Cloud sign-in interface. At the top, it says "Sign in" in a large, bold font. Below this, there is a link for "New user? Create an account". A text input field labeled "Email address" is present, with a blue "Continue" button to its right. Below the input field, there is a horizontal line with the word "Or" centered. Underneath, there are three large, rounded buttons for social login: "Continue with Google" (white with a colorful Google logo), "Continue with Facebook" (dark blue with a white Facebook logo), and "Continue with Apple" (black with a white Apple logo).

When prompted, select Company or School Account

The screenshot shows the Adobe Creative Cloud account selection page. At the top, it says "Select an account" in a bold font. Below this, there is a text input field labeled "Email address". There are two main options, each with a circular icon and a right-pointing chevron: "Personal Account" (blue icon) and "Company or School Account" (orange icon). At the bottom of the page, there is a link that says "Sign in with a different email address".

Login with your IMSA username and password

The image shows the IMSA login page. At the top is a blue header with the IMSA logo (a stylized globe) and the text "IMSA Illinois Mathematics and Science Academy". Below the header are two input fields: "IMSA Username" and "Password". At the bottom is a blue button labeled "LOG IN".

From the Creative Cloud website, browse for and download your desired app. Click “All your apps” on the top of the page to view all apps available to you via IMSA’s Adobe License.

For more information on how to download or install apps, see [Download and Install Creative Cloud apps](#).
